

FREE PROFESSIONAL DEVELOPMENT FOR CALIFORNIA EDUCATORS

ANTI-BIAS EDUCATION FOR K-12 EDUCATORS: ACTION AND IMPACT

A Partnership of the Museum of Tolerance and the Anti-Defamation League (ADL) this program introduces the ADL's A WORLD OF DIFFERENCE® Institute to California educators in the experiential setting of the Museum of Tolerance. Anti-bias professional development programs provide educators and administrators with the skills and knowledge to build safe, respectful learning environments for all students. Interdisciplinary, standards-based curricular materials help to integrate anti-bias education into existing curriculum. Workshops also provide effective strategies to address bias, name-calling and bullying, face-to-face and online. Recognizing that attitudes and beliefs affect actions, each of us has an impact on others, and ultimately, on the world in which we live.

Participants will walk away from the Institute with the tools to:

- Create a respectful, inclusive and safe learning environment and community
- Build understanding of the value and benefits of diversity
- Improve intergroup relations
- Eradicate anti-Semitism, racism and all forms of bigotry
- Encourage personal responsibility in the promotion of justice and equity

Perfect for K – 12 Social Studies and Language Arts teachers. Eligible for graduate level extension credit from UCSD.
